COURSE OBJECTIVE

The objective of the course is to update Deputy Director for Administration careerists' knowledge and understanding of current activities, problems and trends in the Directorate and its various offices.

- A. Please indicate on this numerical scale how well in your estimation, the course has met its objective. (Number 1 is the lowest, number 7 is the highest.)

- B. What was the most useful segment of the program to you in your present assignment? The least useful? Please describe how you see the program benefiting you.

In present assignment, the segment about "CIA's Computers" the most useful. However, other areas such as personnel & medical where informative and they could be useful in the future. The presentations about "Support to Station Operations", "Training in Agent Communications" & "Technical Counter Measures" were very interesting.

The least useful in my present assignment was "Managing the agency's Records".

This course will benefit me because I now have an overall picture (See Reverse Side)

- C. Did you feel the session on the Administration Directorate/
Management & Advisory Group (AD/MAG) was beneficial? Why?

*I did feel that this session was beneficial
because I now know that this group
can bring forward to the Directorate those
issues which the employee feels are
needed.*
